

\\ OUR WISH LIST //

Some items will need to be new of course but we also happily accept used items in good condition.

Think about toys your pet doesn't play with or maybe even food / treats you got them & they didn't like. Rugs, blankets, sheets, towels that you no longer use or that you can pick-up cheaply at yard sales etc. or may even find items on 'Freecycle' sites online. The Dollar Store is also a good place to stock-up on cleaning supplies & pet items cheaply.

Any way – big or small - you can find to HELP US – HELP THEM will be appreciated greatly!
